We praise God for how He worked during this camp season as 51 campers made commitments to Jesus. Please pray for the summer staff. There was much growth in faith and maturity in the summer staff. Plans and preparation begin now for 2022.

This is how we can PRAY... out side our box

That the people of Haiti would receive the resources needed to sustain them as they recover from a destructive earthquake.

That the Christians in Afghanistan may be spared and that God would mercifully intervene in the affairs unfolding in the country.

That the COVID variants in CANADA would not bring new health restrictions.

That the gospel would be advanced even as these tribulations unfold.

"Be strong and take heart, all you who hope in the Lord." Psalm 31:24

Praise the Lord for Russel's healing.
