Notes

MCC Connects: In 1920 Mennonites in Canada and the U.S. formed Mennonite Central Committee (MCC) to aid famine-ravaged Mennonite communities in southern Russia (present-day Ukraine). Join a virtual centennial conference that presents papers that examine the past, present, and future of MCC. The papers reflect on the Mennonites' response to the biblical call to love one's neighbour through practical acts of service. **The conference runs September 30 to October 2, 2021.**
